Dear Mr. Teel:

The Division of Occupational Safety and Health (DOSH) has received and is currently processing your Public Records Act (PRA) request. Pursuant to Government Code Sec. 6253(c), we are notifying you that we need 14 more days to determine whether your request, in whole or in part, seeks disclosable public records in the possession of the Division.

The Division requires this extension, permitted under Government Code Sec. 6253(c)(1), in order to continue to search for and collect the requested records from field facilities or other establishments that are separate from the office processing your request.

If you have any questions regarding your request, please contact the PRA Unit at ICastro@dir.ca.gov or at **(510) 622-3012** and reference your PRA request number identified above.

For future reference, DOSH inspection information is also available online at www.osha.gov, under the "Data" section. Searches by inspection number and establishment name are available.

Sincerely,

Ila Castro
